Other	AqualuxPLUS QuickConnect
Dimming	4CH Low-Side PWM

INTRODUCTION

The AQL-980 is a low-profile, high-powered floodlight for residential and commercial lighting applications. Machined from solid aerospace grade aluminium, the performance / size ratio puts the AQL-980 at the top of the class. Featuring multiple configurable options and available in a wide range of body colours, the AQL-980 is the perfect choice for advanced lighting design.
