

Precision

Precision 304 (1200mm)

The Precision 304 ceiling fan blends high quality 304 stainless steel blades with the affordability of a brushed steel motor housing to bring a beautiful, high quality modern look to any room of the house. While a perfect addition for your indoors, the Precision 304 is not intended for outdoor use, and will develop rust if used outdoors.

MPF3042SS (1200mm)

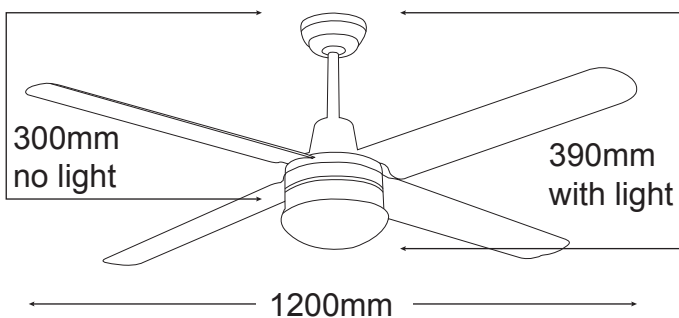

Precision 304 w/ PLKBN
