

Give your traditional light fittings new life, with LED candle lamps.

These decorative LED Candle lamps feature instant light and a wide beam angle whilst offering energy savings.

SYLVANIA[®]
Where Innovation comes to Light!

LED Candle (Crystal Clear and Frosted).

The LED Candle Lamp shape merges the old with the new, by combining new energy saving LED technology with your traditional lighting fittings. The dimmable* feature allows you to control the light ambience. The crystal clear version provides added sparkle, whilst the frosted one provides uniform lighting.

Features

- Instant light.
- 100% retrofit - to four sizes of lamp holder sockets.
- Beam Distribution of 200°.
- New Clear Crystal Stem versions for added sparkle to installation.
- Frosted versions offering uniform light distribution.
- Dimmable*.
- Available in Warmwhite Homelight 2700K.
- Good colour rendering (CRI 80+).
- Average rated life 15,000 hours.
- 3 year warranty.

Benefits

- Long life meaning lower maintenance than traditional lamps.
- Better energy savings than traditional lamps.
- Four different base types provide greater choice.

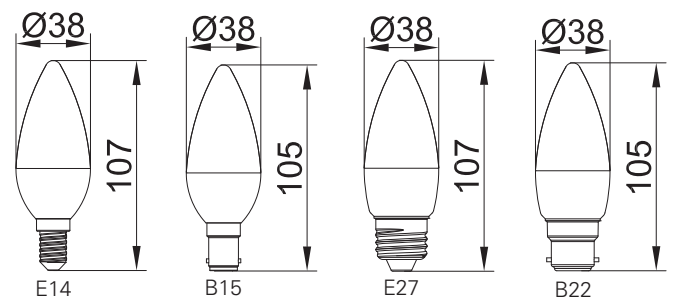

Applications

Decorative lighting, retail display lighting, restaurant and café lighting, domestic home lighting.

LED Candle Crystal Clear

LED Candle Frosted

*Dimming performance of LED retrofit lamps are dependent on the specifications of the dimmer switch being used. Observance to the minimum power loading of the dimmer is imperative to performance of the LED lamps ability to dim in a linear line and actual range percentage. Sylvania list a number of Australian and New Zealand dimmers tested for these lamps on www.sylvaniaighting.com.au/dimmer-compatibility
