

## PIXIE MULTIFUNCTION CONTROL SMFBT

Digital multifunction switch or dimming control

### Application

Ideal for residential designs, commercial interior spaces requiring multiple location device control

### Design Specifications

- Digital push button control to enable multifunction switching or dimming control, simply with an active and neutral termination. All devices must be paired once installed, for functionality.
- Three (3) complimentary key caps provided to suit most switch plates
- Easy to install, dim and switch with ease, two wire termination mech.
- Switch and dimming control is achieved only in conjunction with PIXIE smart switch (SWL350BT) or PIXIE smart dimmer (SDD350BT) or PIXIE Smart LED strip kits
