

PIXIE TOUCH PANEL STP54BTAS

PIXIE Ambience Touch Panel

Application

The PIXIE Ambience Touch Panel provides homeowners a central control hub for their PIXIE Smart Home system.

Design Specifications

- The Ambience Touch Panel makes it easy for everyone at home to control all PIXIE connected devices such as lighting blinds, fans, appliances and more.
- Multifunction buttons for quick access to regularly used devices, groups and scenes
- Customisable home page layout and Multifunction button action based on mounting location in the home
- Interchangeable covers and buttons to match the colour styling in your home
- 5.5 inch full colour touch screen for central control of your PIXIE smart home
- Powered by either POE or a low voltage power supply for simple installation
