

LED CEILING LIGHT

Product Features

- Flicker free.
- Dual power.
- High quality SMD LEDs.
- IP54 waterproof.
- New design, super slim to 42mm height.
- Long lifespan more than 50,000hrs.

Use the pre-set switch to set power and color temperature before installation.

Technical Specification

Model	AC9001-WHTCDP2835S1
Watts	28W/35W
Input Voltage	AC200-240V
Power Factor	0.9
Colour Temp.	3000K-4000K-5000K
CRI	80+
Lumens Output	3100-3200lm (28W) 3800-3950lm (35W)
Size (L* D*H)	Ø398*H42mm
IP Grade	IP54
Housing Colour	Satin Chrome/White
Beam Angle	120°
