

LED DOWNLIGHT

Product Features

- Long life, average 40,000Hours
- Dimmable with trailing edge and universal dimmer.
- High efficiency LED chip and translucent diffuser.
- Anodised aluminum heat sink.
- Easy installation.
- Three year replacement warranty

Use the pre-set switch to set color temperature before installation.

Technical Specification

Model	3A-DL2001 TC
Watts	20W
Input Voltage	AC200-240V
Cut-out	Ø150-170mm
Colour Temp.	3000K-4000K-5000K
CRI	80+
Beam Angle	90°
Lumens Output	1780-1890lm
Dimension	Ø180*H54mm
IP Grade	IP54
Fitting Color	Black/White
Material	Die-cast Aluminium with RA.90004
