

ZEKE-8 LED Steplight

Description

The surface mounted ZEKE-8 LED wall/step light features a slim-line, cast-aluminium body and cable gland for easy installation. The aluminium trim features a special chromate process before a polyester powder coated finish is applied, for extended wear in harsh external environments.

With an IP65 rating, the ZEKE-8 features amazing downward illumination with minimal power consumption; A total of 8W of high intensity illumination. Particularly useful for external pathways and steps or any area in which recessed mounting is not an option. The ZEKE-8 is also backed by our Three Year Replacement Warranty for peace of mind.

Specification Features

Input Voltage: 240V AC
 Power (W): 8W
