**Vintage design • Material mix of brass and "pleated" opal white glass • Opal white, mouth blown glass • Provides a soft, diffused light**

Milford is a decorative series, where the opal white mouth blown glass creates a soft and almost "pleated" look. The design is classic and vintage, balanced with a modern twist of the brass suspension. The combination of the organic forms and the grooved surface creates elegance and illuminates the room with a soft and warm light. The glass in this lamp is mouth-blown and has been individually hand crafted. Due to this unique process, air bubbles may appear in the glass and the thickness of the glass can also vary. This gives the glass its character and vivid appearance.
