**Simple, modern design • Beautiful fluted glass • Japandi style with a mix of opal glass and black metal • Can be installed with the included cable or directly onto a wall outlet**

Milford Mini is a decorative series with mouth-blown opal glass that creates a soft and almost "pleated" look. The design is simple and modern with a mix of opal glass and black metal. The combination of the organic forms and the fluted surface creates a sense of elegance and illuminates the room with a soft light.
