**AMELIA OY28-3C**  
**9329501063675**

The Amelia LED oyster is a decorative ceiling light that can easily be used anywhere in your home due to its timeless design, in a living room, a hall or a bedroom. Due to the special structure of the acrylic lampshade, the decorative light attracts attention when it is turned off. When it is turned on, however, the horizontal disc shows a starlight effect, while the vertical clear crystal look pattern on the lampshade produces a magical lighting result.
