DESCRIPTION

The Cashel outdoor range of wall lights and bollards features a striking linear design with vertical slats that create a refined architectural look. Available in classic black or weathered rust finishes, the range blends contemporary style with industrial character. IP65 rated for durability, Cashel is ideal for illuminating pathways, entrances, and exterior walls with both style and reliability.

*3 Years

CARE INSTRUCTIONS

Do not use strong liquid cleaners, Wipe clean with a dry cloth, Aluminium, Brass and Stainless Steel will naturally oxidised and change overtime. Exterior products require regular four (4) monthly cleaning and maintenance to ensure they do not accumulate dirt or other environmental deposits. Wipe the product with a mild detergent and warm water to remove surface deposits. Rinse with fresh water and wipe dry with a soft cloth. An extra temporary protection barrier of water displacement oil can help to maintain the surface, such as WD40, sprayed onto a soft cloth and rubbed onto the surface.
