MACRO DL105-WH3C 9329501063781

The MACRO 105 downlight has been specifically designed for today's domestic living spaces. The color temperature of light can be customized to warm, natural or cool via an integrated slide switch on the fixture, and triac dimming is fully supported. Maximum lux is achieved via the custom lens which is deep set offering a low glare light source. Installation is simple with the fixture ready to plug into existing sockets.
