NETRA DL15-WH 9329501063736

The NETRA LED close to ceiling downlight is the perfect luminaire that can be integrated into many interior styles. At a fixed downward direction it provides a wide light source for a full even effect. Swivel the LED panel and a directional light source now is at your control setting the mood in your living space. Three color temperatures are integrated within the canopy and the added benefit of triac dimming is on hand to set your lighting environment.
