NORI TL-BKOM 9329501062845

The NORI family is inspired by the traditional lanterns and now on offer with a modernist interpretation. Three unique mouth-blown glass shapes are patterned with a soft ribbed surface that provides a subtle atmospheric light. The glass is offered in opal matt, the metalware is a rich satin black, while the pendants are suspended with textile cable. Available as single and multi-light pendants and as a floor and table lamp.
