DESCRIPTION

The Sky 60 oyster collection combines sleek, modern design with advanced functionality for your living space. This LED-integrated, energy-efficient ceiling light features an ultra-thin flush mount frame, making it perfect for low ceilings. It offers triac dimmable capability and 3CCT colour temperature options, easily adjustable via a hidden selector switch. With an IP44 rating, it is suitable for a wide range of areas, including bathrooms and kitchens. The white acrylic diffuser softens and evenly scatters the light, while the clean white frame adds a contemporary touch. An ideal choice for enhancing any room in your home.
