LED Light

Add subtle elegance to any space thanks to the Kute DC ceiling fan's small motor housing and elegant blade shape. Available in 5 different finishes, it includes a remote control and has an optional LED light kit available.

Kute by name and cute by design, the Kute ceiling fan has been carefully crafted with a tiny motor housing—only 14cm at its widest point and tapering down to 11cm—for a stunningly subtle and discreet design.

Long-lasting & weather-resistant polymer blades are durable, easy to clean as well as being safer and quieter than metal blades.

High performance DC motor takes energy efficiency to the extreme, using only 30W on high and as little as 4W on low so you stay cool for less.

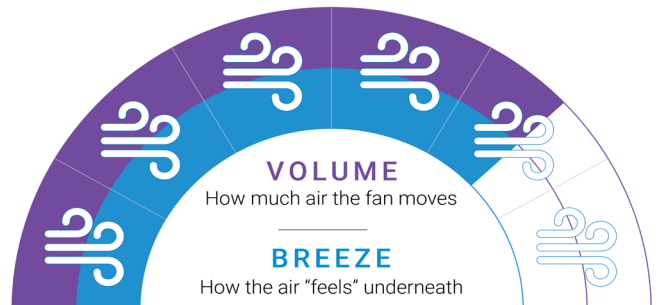

Enjoy whisper-quiet cooling, thanks to the combination of a silent DC motor and premium polymer blades, available in 44" and 52" sizes for small to medium spaces.

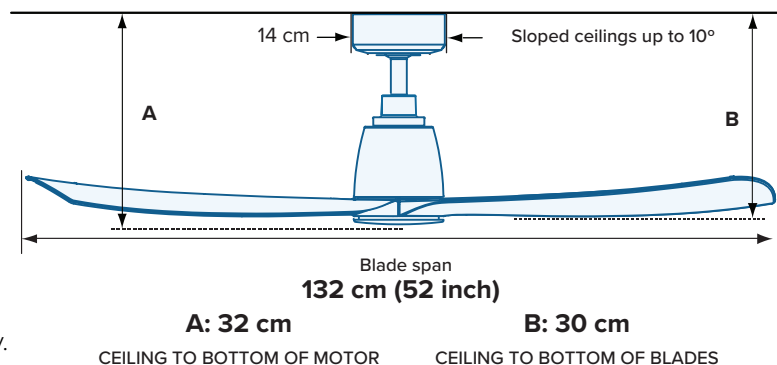

Perfect for both Indoor & Outdoors¹ so you can maintain your decor style from your bedroom to your living room through to your alfresco dining area.

¹ Satin Brass finish is recommended for indoor use only

FAN PERFORMANCE

Fan Speed (H:6/M:4/L:1) (Revolutions Per Minute)	170 / 120 / 50 RPM

Remote Control

The Kute DC ceiling fan includes a stylish 6 speed remote control as standard.

- Enjoy 6 speed settings for your ceiling fan.
- Forward and reverse function for year-round comfort.
- Convenient fan off timer function built in.
- Light on/off and light dimming support.

Smart Ceiling Fans

Transform your ceiling fan into a Smart Ceiling Fan with the Bond Bridge and control your ceiling fan and light through Google, Apple and Alexa Voice Assistants and from your smart devices.

SKU: BD-1000

Accessories

LED Light Kit

Optionally add a 14W LED Light Kit (4000K) that support dimming to your Kute ceiling fan.

SKU: KUTLEDWH

Downrods

For high ceilings, consider a longer downrod to help bring your ceiling fan lower and improve performance.
