

EMIT-25-TRIO-AB

Tri-Colour Inground Light - Antique Brass

Description

Introducing the EMIT-25 LED Inground Light Series. The EMIT-25 is a mini inground light with a cutout of 19mm, ideal for lighting up features where minimalistic light effects are required. Featuring a 1W LED output, with a range of different fascia plates and metalware colour options. Choose from Round Open, Square Open, Eyelid and Halo fascias, as well as the multiway fascias available in 1WAY, 2WAY, 3WAY, and 4WAY. Metalware colour options range from Black, Stainless Steel, Antique Brass and Brushed Brass. Tri-Colour Selectable: Choose from 3000K Warm White, 4000K Neutral White and 5500K White colour temperature options. Functional with 12 and 24V DC Constant Voltage LED Drivers. Optional extra accessories such as narrow to medium Beam Angle Lens as well as Honeycomb and frosted diffusers are also available. Part of a family of different sizes to suit most inground lighting applications. Backed by a 5 Year Replacement Warranty.

Specification Features
