

Fresco-52 4 Blade 52" Ceiling Fan

Description

The FRESCO DC Ceiling Fan Series is a modern and slimline 4 Blade ceiling fan design that offers a high weatherproof IP66 rating, designed for outdoor and alfresco dining areas. Available in 52" 1320mm blade length with the choice of no light or 18W LED CCT Switchable light. Choose from 3000K Warm White, 4000K Neutral White or 6000K White via the remote control. The remote control also features a 9 speed function and fan timer and reverse Winter/Summer mode included. Light models are fully dimmable via remote control. Constructed from ABS Polymer, the FRESCO Series is lightweight, quiet and offers superior airflow. Super energy efficient DC Motor, drawing only 26W at high speed. Smart fan adaptable with a smart chip accessory, that is compatible with Google Home and Alexa. Other optional accessories include extension rods, DC Bluetooth Wall Controller as well as Ceiling Pitch Accessory for raked ceiling installations. Suitable for Indoor and Outdoor use. Backed by a 6 Year Warranty*.
