

CHAM-REM-1C

Single Colour Remote Control

Description

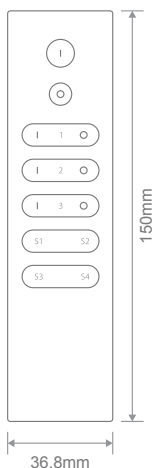

The CHAM-REM-1C is an RF + Bluetooth Single colour remote control that is to be used with the CHAM-BT-RF-5C receiver. This remote allows you to dim the LED strip. It also allows you to save specific scenes that you use on a regular basis. The CHAM-REM-1C also has a magnet on the back which allows for ease of use with the mounting bracket.
