

OMEGA-35-SM LED Mounting Profile

Description

Introducing the OMEGA-35-SM surface mounted profile system. The OMEGA-35-SM was specifically designed for the Domus range of LED strip lighting. This aluminium mounting profile system incorporates an extruded profile complete with a flat opal colour PMMA diffuser. The key features of the OMEGA-35-SM is the ability to not on conceal the LED strip lighting but also keep the strip lighting linear. Also, the OMEGA-35-SM keeps LEDs free from foreign objects and vapours which may damage the LEDs. Another key point is in the mounting of this profile. Specifically designed as a surface mounted profile or wired suspended pendant to create linear visual impact in area interior application.

Brushed Aluminium Finish

White Finish
