Plex-19.2-IP66
## LED Striplight

Description

Introducing the brand new professional Plex-IP66 series of LED strip from Domus Lighting incorporating the latest in LED SMD chip technology. Utilising the brand new CRI90 2110 SMD chip from San'an you can now achieve even smoother seamless linear lighting whilst also providing better torsional, twisting and vibrational characteristics due to the stronger LED frame and soldering points to the PCB board. The Plex series LED Strip range is available in 4 colours and 3 wattages from a single colour bin allowing you to create endless possibilities for your residential or commercial linear lighting project. Ideal for kitchens, bars, restaurants and all backed by our Domus Lighting 3 year warranty for peace of mind.
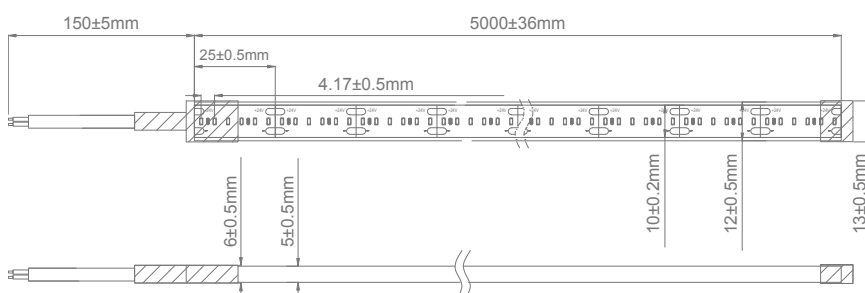

Specification Features

Colours:	4 colour
Light Source:	2110 SMD LED
LED Type:	San'an
Colour Temperature:	2700K, 3000K, 4000K, & 5000K
Lumen Output per metre:	1306lm, 1382lm, 1498lm, 1498lm
CRI:	90
Number of LED per metre:	240
Wattage per metre:	19.2W
Input Voltage:	24VDC
Beam angle:	120°
Wiring:	Parallel
IP Rating:	IP66
Cutting Increments/Sections:	25mm
Requires:	24VDC constant voltage driver
Dimmable:	Yes*
IES files:	Yes**

*   For dimming options please refer to the controller section for further details.
** Available upon request.
