

LED Globes

BOSS COB 5000K MR16

The Boss MR16 is designed to fit into almost any existing Halogen fitting currently in a household. Providing up to 580 lumens from a tiny 8W globe, the Boss MR16 will not only save you money but also provide ample light for any room of the house. Replacing the globe is as easy as pulling out an existing Halogen MR16 and plugging the Boss in, and you are ready to go!

FEATURES

- /// 3 year replacement warranty
- /// Aluminium constructed heat sink for efficient heat diffusion
- /// Advanced PMMA optic lens
- /// Long life energy saving LED technology
- /// Replace existing halogen dichroic lamps
- /// Suitable for use on most popular electronic and iron core transformers
- /// No expensive rewiring required
- /// Save 80% more on your electrical bill compared to 50W Halogen globes
