

Deck

Deck Single Head RGB DIY Light

The Deck LED will light up your deck or outdoor entertainment area in style and colour. Constructed from anodised aluminium and being IP67 rated allows for the light to withstand the harshest outdoor environments. This light is an add-on for the Deck 5 Pack RGB kit.

FEATURES

- /// 3 year replacement warranty
- /// Anodised aluminium
- /// Long life energy saving LED technology
- /// IP67 rated
- /// Easy DIY installation
- /// The driver can run up to 12 single heads
