

Taipan LED

Taipan Silicon Sleeve 5000K

Martec's Taipan Silicon Sleeve allows for simple lighting solutions in both indoor and outdoor environments. Fit a Martec Taipan under cupboards in a kitchen to instantly provide light to your counter-tops or perhaps attach the Martec Taipan to a patio overhang to add dynamic, ambient lighting. The Martec Taipan is an easy to use, do-it-yourself installation which can be cut down to your custom length and still function perfectly!
