• Glamorous Art Deco style • The swirled glass dome provides a beautiful light effect

Chisell draws inspiration from the glamorous Art Deco style and features modern brass and swirled glass. The swirled glass dome casts a beautiful light effect on the wall. Chisell can be used individually or in a cluster of several lamps together to create an interesting lighting effect.

The glass in this lamp is mouth-blown and has been individually hand crafted. Due to this unique process, air bubbles may appear in the glass and the thickness of the glass can also vary. This gives the glass its character and vivid appearance.
