• Charged by sunlight (or the included USB-C cable) • Lights both up and down • Motion sensor turns light on

• With two sensor settings: on/off or on/dim • Long LED lifespan (30,000 hours)

Monay is a cordless, solar-powered wall lamp in a modern and streamlined design. The lamp charges by sunlight during the day and turns on when it detects motion during the night. You can choose between two sensor settings: off/on or from nightlight to full light when you walk by. Perfect for placing along the facade of your house or next to your front door to provide light when you get home – without having to fumble for a light switch. Easy installation with no cables needed. USB cable for fast charging included.
