DESCRIPTION
Sleek, bold, and built for impact — the Ebiza exterior wall light brings architectural edge to your outdoor space. Available in a one or two-light configuration and finished in either black or rust, this striking design offers flexibility with 3CCT selectable colour temperature (3000K–5000K) to suit your mood or setting. With its IP65 rating and integrated LED, the Ebiza doesn't just look sharp — it's made to last.

REPLACEMENT WARRANTY
*3 Years
CARE INSTRUCTIONS
Aluminium, Brass and Stainless Steel will naturally oxidised and change overtime. Exterior products require regular four (4) monthly cleaning and maintenance to ensure they do not accumulate dirt or other environmental deposits. Wipe the product with a mild detergent and warm water to remove surface deposits. Rinse with fresh water and wipe dry with a soft cloth. An extra temporary protection barrier of water displacement oil can help to maintain the surface, such as WD40, sprayed onto a soft cloth and rubbed onto the surface., Do not use strong liquid cleaners, Wipe clean with a dry cloth
