DESCRIPTION

The Krilux outdoor spike light offers practical and durable garden illumination. Crafted from aluminium with a textured sand finish, it features an IP65 rating and a built-in moisture valve for long-lasting performance in outdoor environments. LED integrated with a warm 3000K glow, this low-voltage fitting can be used as a spike light in garden beds or surface mounted using the plate, enhancing pathways, plants, and architectural features with both function and elegance.

REPLACEMENT WARRANTY

*3 Years

CARE INSTRUCTIONS

Aluminium, Brass and Stainless Steel will naturally oxidised and change overtime. Exterior products require regular four (4) monthly cleaning and maintenance to ensure they do not accumulate dirt or other environmental deposits. Wipe the product with a mild detergent and warm water to remove surface deposits. Rinse with fresh water and wipe dry with a soft cloth. An extra temporary protection barrier of water displacement oil can help to maintain the surface, such as WD40, sprayed onto a soft cloth and rubbed onto the surface., Do not use strong liquid cleaners, Wipe clean with a dry cloth
