DESCRIPTION

The Lunos Oyster is a versatile and modern LED ceiling light, designed to blend seamlessly into any space. Available in three sizes and a choice of black or white finishes, it offers flexibility to suit a range of interior styles. With a 3CCT adjustable temperature range (3000K–5000K), you can tailor the ambiance from warm to cool white, depending on your mood or setting.

Thanks to its IP44 rating, the Lunos Oyster is perfectly suited for kitchens, bathrooms, and other damp-prone areas. It features integrated LED technology and is TRIAC dimmable, allowing for smooth brightness control. Sleek, smart, and adaptable—this light is designed to make every space feel just right.
