DESCRIPTION

The Maren Stair Downlight is a sleek, integrated LED fixture ideal for indoor step or pathway lighting. Available in both round and square designs, it includes three interchangeable textured frames in black, gold, and white for versatile styling. With 3CCT selectable colour temperatures (2700K, 3000K, and 4000K), the Maren offers adaptable lighting to suit any ambiance or interior design. Its low-profile form factor delivers subtle illumination and enhances safety in residential and commercial spaces.
