DESCRIPTION

The Norel pendant combines modern structure with subtly glamorous detailing, featuring a drum-shaped frame available in two sizes and three finishes—antique gold, black, and polished nickel. Its standout feature is the textured glass, designed with a rippled, artisanal quality that softly diffuses light while adding visual depth and sophistication. Suspended on a rod system including 2 × 60 cm and 1 × 30 cm sections, the Norel can be installed at multiple heights, using any combination of rods or the full length. It can also be mounted as a close-to-ceiling fitting, offering versatile placement in dining rooms, kitchens, entryways, or bedrooms where a refined yet contemporary statement piece is desired.
