DESCRIPTION

The Rimini Wall Light has a refined, sculptural presence, combining the warmth of beige travertine with the clean lines of vintage brass or black metal for a look that feels both modern and artisanal. Its integrated 3000K LED casts a soft, atmospheric glow that highlights the stone's natural texture and elevates the surrounding space. This fixture shines in contemporary interiors, especially in entryways, living rooms, and bedrooms where subtle luxury and architectural lighting make an impact.

CARE INSTRUCTIONS

Do not use strong liquid cleaners, Wipe clean with a dry cloth, Aluminium, Brass and Stainless Steel will naturally oxidised and change overtime. Exterior products require regular four (4) monthly cleaning and maintenance to ensure they do not accumulate dirt or other environmental deposits. Wipe the product with a mild detergent and warm water to remove surface deposits. Rinse with fresh water and wipe dry with a soft cloth. An extra temporary protection barrier of water displacement oil can help to maintain the surface, such as WD40, sprayed onto a soft cloth and rubbed onto the surface.
