

**LIGHTING THAT OUTPERFORMS**  
SINCE 1998

## SILO WALL PILLAR EXTERIOR

SILO is a sleek, IP65-rated outdoor wall light crafted with a durable aluminium body and glass diffuser. Designed for Up and downward illumination, its cylindrical form creates focused illumination, offering a clean, contemporary aesthetic that perfectly complements modern architectural designs. With an IP65 protection ensures strong resistance to dust and water, making it suitable for coastal environments and a reliable choice for both residential and commercial exteriors.
