

MAGNETIC WEATHERPROOF ST SERIES

Magnetic weatherproof AC-DC transformer IP66

Application

Magnetic weatherproof AC-AC transformer

Design Specifications

- Overload and short circuit protection
- Overheating protection
- SELV and EMC compliant
- 1.2 m flex & 3 pin plug fitted
- Output fly leads at secondary end
- IP66

Technical Specification

Model No.	Description	Input (V)	Power (W)
ST105	WEATHER-PROOF 105VA	240	105
ST150	WEATHER-PROOF 150VA	240	150
ST200	WEATHER-PROOF 200VA	240	200
ST400	WEATHER-PROOF 400VA	240	400
