# LED WALLPACK

39W IP65 LED Wall Pack

AT9833

#### Features

- Ideal for residential and commercial lighting applications
- Slimline design
- Die-cast aluminium
- Easy to install

#### Colour temperature

Cool white

#### Warranty

3 Years

#### IP Rating

IP65

#### Finish

Black base with Opal diffuser

## Product datasheet

## Description

39W IP65 LED Wall Pack

## Finish

## Product specification

|                           |                  |
|---------------------------|------------------|
| Voltage                   | 220-240V~50/60Hz |
| Power consumption         | 39W              |
| Light colour options      | Cool white       |
| Lumen output              | 2600lm           |
| Colour temperature        | 4000K            |
| Beam angle                | 70°              |
| Dimmable                  | No               |
| Warranty                  | 3 Years          |
| Colour rendering index    | >80              |
| Working temperature       | -10°C - 40°C     |
| IP Rating                 | IP65             |
| Electrical classification | Class I          |

## Product range

| Code       | Finish                     | Colour     |
|------------|----------------------------|------------|
| AT9833/BLK | Black base / Opal diffuser | Cool white |

## Dimensions

| Length  | Width | Depth   |
|---------|-------|---------|
| 308.4mm | 264mm | 128.7mm |
