Brilliant's new Talon Promax exhaust fan features a quiet and advanced AC motor which produces a powerful extraction that quickly removes steam, moisture and odour. The modern fascia's are designed to efficiently remove air with minimal resistance and low noise. Available with intergrated CCT LED light and 2 sizes to suit small or larger rooms.

- Advanced AC motor and fascia designed to efficiently remove moisture, steam and odour.
- Designed for air to easily enter and flow through with minimal resistance and low noise.
- Super bright 15W LED CCT 1100lm light (selectable from switch)
- Removable fascia for easy cleaning.
- Swing clips to easily clamp onto ceiling in any room: perfect for both single and multi-storey homes.
- Plug and lead for faster installation.
- 100mm & 150mm duct adaptor with back draft shutter included.
- Other installation friendly features include round cutout and long lead (0.9m)
- Polyfoam free packaging (100% recyclable cardboard)

### APPLICATIONS

- For bathrooms, laundry, kitchen to other spaces that require ventilation to the outside.
