

HIGHBAY

HIGH LUMEN LED INDUSTRIAL LUMINAIRE

240V	150W 13000lm	200W 18000lm	COB LED	6000K DAYLIGHT	120° BEAM ANGLE	IP54		CRI >70	
	18814	18815							

Our LED HighBay lighting is suitable for warehouses, plant facilities, industrial, retail or commercial use in indoor or outdoor applications. By replacing outdated, inefficient metal halide high bay lighting with LED lighting will significantly reduce your overall lighting power consumption.

FEATURES

- Diecast alloy control gear housing with steel bracket and hook and a spun aluminium reflector.
- High performance Bridgelux LED Chip.
- High efficiency Mean Well LED driver with SAA approved 1.5m flex & plug.
- Built-in active PFC function.
- Short circuit, over current, over voltage and over temperature protected
- Long lasting, up to 40,000 hours (limited by driver).
- Includes 370mm high tensile steel lanyard with steel carabiner's.
- 3 Year Warranty.

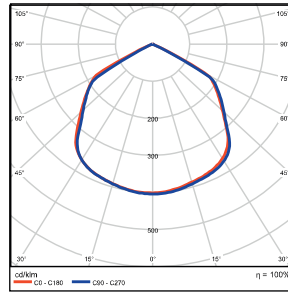

BENEFITS

- Instant start, no re-strike delays.
- Easy-install fitting for fast, effortless retro-fitting.
- Improved illumination quality
- Reduce your energy usage and save money on your utility bills
- Reduce maintenance costs as our LED HighBay have longer life than traditional lighting solutions
- Short payback period possible depending on usage
- Suitable for dry, damp and wet locations.
