* Replacement wattages and lumens are approximates and are to be used as a guide only.
[†] Relates to LED life - actual life may vary depending on individual circumstances. Hours of life corresponds to approximately 6 hours of use per day.

Brilliant's LED Fancy Round globes are ideal for both decorative and general-purpose lighting. They combine 21st century LED lighting technology with the elegance of the classic light globe, thus making it easy for consumers to switch to LEDs. The Fancy Round Frosted LED globes are great for mood or ambient lighting. Incorporating a high-powered SMD array technology for superior output and energy saving up to 80% compared to traditional incandescent or halogen globes. Brilliant Fancy Round LED globes last up to 15,000 hours, meaning you won't have to install another bulb for close to 10 years.[†]
