**3W 120 LUMENS**

EX8012K

ELECTRICAL	
Supply Voltage	220-240V AC
Supply Frequency	50-60Hz
Supply Current	0.06A
Power Factor	0.45
Total Input Power	3.6W
Secondary Output Voltage	12V
Secondary Output Current	750mA
Lamp Power	3 x 1W

MATERIALS	
Body	304 stainless steel
Diffuser	Acrylic

THERMAL	
Ambient Temperature Rating	25°C
Maximum Surface Temp	45°C
Ingress Protection Rating	IP44

OPTICAL / PHOTOMETRIC	
Luminous Flux	40 lumens each

WEIGHT / LIFE	
Fitting	3.6Kg
LED Lamp Life	10,000HR

## PRODUCT FEATURES

- LED low voltage garden bollard kit
- 3 stainless steel bollards with frosted acrylic diffusers and ground spikes
- 10 metres of 4 core low voltage cable
- 10VA LED converter
- Remote control unit to change light colour to any of the seven available colours
- 304 grade stainless steel
- IP44
- Replacement driver (code 85487)
