

# PENDANT

**WARNING: PLEASE TURN POWER OFF BEFORE INSTALLING.**

**1**

**BATTEN HOLDER:**  
You must have a batten (globe) holder in your ceiling to install a DIY fitting.

**PLUG:**  
Insert the plug into the batten holder as you would normally insert a globe.

**2**

**3**

**CANOPY:**  
Place the canopy (metal base) around the batten holder and screw in place.

**SHADE:**  
Attach shade using screws provided (if necessary)

**4**

**5**

**GLOBE:**  
Insert globe into lampholder in fitting, ensuring globe is secure.

5 SIMPLE STEPS TO INSTALL
