

DLK-10

Adjustable LED Downlight

Description

The new DLK-10 range of LED down lights are designed for retro fit or new installations. This is the perfect one to one replacement for traditional halogen lamps.

Using a contemporary satin white or silver adjustable frame with a special adaptor ring makes this down light fit into cutouts as small as $\varnothing 70\text{mm}$ through to $\varnothing 90\text{mm}$. The DLK incorporates the latest Sharp COB (Chip on board) which is then matched with a specifically designed heat sink to disperse heat from the LED.

All this is then matched perfectly with a fully mains dimmable LED driver complete with a flex and plug for easy installation.

Specification Features

Input Voltage:	240V AC
Power (W):	10W
IP rating (IP):	20
Lumens (lm):	Warm White 3000K - 650lm White 5000K - 780lm
LED type:	SHARP COB
CCT:	3000K - 5000K
CRI:	≥ 83
Beam angle (°):	60°
Dimmable:	Yes*
Lifespan (hrs):	50,000hrs
Cutout (\varnothing):	$\varnothing 70\text{-}90\text{mm}$

* Tested on the Domus Dimmer series. May work on other but not tested.
