

GEM-13 LED Downlight

Description

The GEM range of LED downlights has been specifically designed by incorporating cost saving materials to produce a cost effective and well performing downlight solution to the market. Bright output 13W LED recessed downlight with anti-glare deep set frame, smooth polished reflector, dimmable LED driver flex & plug. Fully dimmable with Domus dimmer.

The GEM series offers the customer a range of performance features including a unique thermal management system and a polished reflector that replicates the look and feel of halogen downlights.
