

# TERRA-6

## Garden Light

### Description

Integrating LED technology with the traditional garden spike light, the TERRA-6 provides a robust, powerful and safe means to pathway and general landscape lighting. The TERRA-6 is also rated at IP65, and more than capable of withstanding wet weather conditions, allowing you flexibility in positioning throughout your garden or yard.

TERRA-6 has a lifetime of approximately 40 000 hours and is also fully backed by our Three Year Replacement Warranty for peace of mind.
