

ZAC-PRO-8 LED Wall Light

Description

The ZAC-PRO-8 is a round or square, modern and sleek recessed LED wall or step light featuring a slimline, cast-aluminium body and TPS cable gland for easy installation. Perfect for low level pathway lighting and particularly useful for external pathways, providing soft downward illumination to the desired walkway. The aluminium trim features a special chromate process before a polyester powder coated finish is applied, for extended wear in external environments. With an IP65 rating, the ZAC-PRO-8 features amazing downward illumination while consuming a minimal power consumption of 8W. Available in Black and White frame colour options. Tri-colour switchable, choose from 3000K, 4000K or 5000K colour temperature options. Available in mains power 240V or 12/24V DC, which allows for outdoor applications such as planter boxes and front wall installations, where low voltage wiring has been used. The ZAC-PRO-8 is also backed by our Three Year Replacement Warranty for peace of mind.

Specification Features

Input Voltage:	240V AC
Power (W):	8W
IP rating (IP):	IP65
Lumens (lm):	Warm White 3000K - 421lm Neutral White 4000K - 462lm White 5000K - 495lm
LED type:	SMD
CCT:	3000K - 4000K - 5000K (Switchable)
CRI:	≥90
Beam angle (°):	120°
Dimmable:	No
Lifespan (hrs):	50,000hrs
Mouting:	Recessed
