

TAB-175

Exterior LED Ceiling Light

Description

Domus Lighting offers a stylish and contemporary ceiling light fixture to the Evergreen range. The TAB-175 is a surface mounted polycarbonate body and opal colour diffuser with a decorative aluminium square trim. The aluminium trim features a special chromate process before a polyester powder coated finish is applied for extended wear in harsh external environments. With an IP54 rating the TAB-175 features amazing illumination with minimal power consumption. A total of 9W of high intensity illumination with the ability of dimming using the EV-DIMMER (optional). Particularly useful in smaller locations or in Lue of recessed down lights for that something special. The TAB-175 offers many solutions for every need.

Specification Features
