

TAB-300

Exterior LED Ceiling Light

Description

Domus Lighting offers a stylish and contemporary ceiling light fixture to the Evergreen range. The TAB-300 is a surface mounted polycarbonate body and opal colour diffuser with a decorative aluminium square trim. The aluminium trim features a special chromate process before a polyester powder coated finish is applied for extended wear in harsh external environments. With an IP54 rating the TAB-300 features amazing illumination with minimal power consumption. A total of 30W of high intensity illumination with the ability of dimming using the EV-DIMMER (optional). Particularly useful for outside entertaining areas or internal spaces. The TAB-300 offers many solutions for every need.

Specification Features
