

SCOOP-25

Adjustable Downlight

Description

Introducing the SCOOP-25 to Evergreen range of LED down lights. The SCOOP-25 is the second in the line-up of single point COB adjustable LED down lights. Features include satin white finished frame and glass diffuser. Light is provided from a single point COB high performing LED with a perfectly matched 60° optical reflector. The reflector behaves in much the same way as a standard metal halide fixture does with the favourable scallop styled illumination and directed point source. Added benefits of up to 45° tilt function and fully mains dimmable LED driver makes this a perfect alternative to metal halide and CFL style down lights.

Specification Features

- Input Voltage: 240V AC
- Power (W): 25W
- IP rating (IP): IP20
- Lumens (lm): Warm White 3000K - 1800lm
White 5000K - 1950lm
- LED type: Epistar COB
- CCT: 3000K - 5000K
- CRI: ≥80
- Beam angle (°): 60°
- Dimmable: Yes**
- Lifespan (hrs): 50,000hrs
- Cutout (∅): ∅160-170mm

** Tested on the Domus EV-DIMMER (20505). May work on other but not tested.
