

ZEKE SQUARE

LED Exterior Wall Light

Description

The surface mounted ZEKE-Square features a slim-line, cast-aluminium body with dual cable glands for easy installation. The aluminium trim features a special chromate process before a polyester powder coated finish is applied, for extended wear in harsh external environments. With an IP54 rating, the ZEKE-Square features amazing downward illumination with minimal power consumption; A total of 9W of high intensity illumination. Particularly useful for outside entertaining areas, external pathways or any area in which recessed mounting is not an option.
