

EV-RETRO10-ML-W

Introducing the NEW RETRO10 range of LED lamp and dimmable driver.

The RETRO10 is specifically designed as a replacement for your traditional halogen lamps in most applications. It's as easy as removing the standard MR16 lamp and transformer and replacing it with the NEW RETRO10 lamp and LED driver. Featuring the NEW Mono lens, the RETRO10 will look almost exactly the same as what you have just replaced.

The RETRO10 incorporates the latest Sharp COB (Chip on board) which is then matched with a specifically designed heat sink to disburse heat away from the LED. All this is then perfectly matched with a fully mains dimmable LED driver complete with flex and plug for easy installation.

3 Year Replacement Warranty

Product Specifications:

Wattage:	10W + Driver
LED:	Sharp COB
Colour / lm:	White (5000K) 700lm
Efficacy:	White 66lm/W
Light quality (CRI):	>83
Beam angle:	60°
IP rating:	IP20
Lifetime:	50 000hrs
Input Voltage:	100-265V AC
Dimmable:	Yes, on most dimmers (including C-Bus)
Operating Temp:	-20° to 65°
IES Files:	Upon request
